General Notes

- If planning on going to all Open events, you may not re-use runs. For each event's byes, these must be different Q's. These will be checked against previously submitted trackers, including the USO 2023 CAD & WCO 2024 trackers.
- All Q's for Byes must have been gained from the same dog/handler partnership who will run at the particular Open.
- All Q's for Byes must have been gained at the same height you are running the dog at the event with the exception of moving a dog from regular into their select height.

This table shows the maximum for the US Open Nationals Rd 2 bye if you were gaining this bye only using Home Trial Q's. If, planning on also using these for the WCO Agility Stakes, you would only need to fill 1/2 the fields within each class. HOWEVER, IF YOU PLAN TO USE ONLY HOME TRIAL Q'S TO ATTEND BOTH EVENTS byes, you'd need to fill out this page for your Rd 2 Bye at the USO and then to print out this table again filling 1/2 the fields within each class with different Q's for the WCO bye.
